IEEE Competition Webinar

Justin will be presenting information about the IEEEXtreme competition and history on the IEEE Xtreme. IEEEXtreme is a global challenge in which teams of IEEE Student members – advised and proctored by an IEEE member, and often supported by an IEEE Student Branch – compete in a 24-hour time span against each other to solve a set of programming problems. IEEEXtreme is scheduled for October 23, 2021.

Speaker's Bio:

Justin Mains is currently studying computer science and is the ambassador for the IEEE Xtreme for DeVry University Online. He also serves as the Treasurer for the DeVry University Online Student Branch.
